www.nonsportcardshows.com.

We ask that you also promote the show in your travels to other shows, in your mailings, or online presence. It is in everyone's best interest to get the word out. Please let us know if you need flyers to distribute at shows or with local shops.

We will keep dealers up to date with the current health requirements as we get closer to the show. It is likely that masks will be required. We will update everyone before the event with the most current information from the Chicago area.
